Tu jahan jahan chalega
Mera saaya saath hoga.

Yaad Rakho !

Kanoon ke haath
lambay hotay hain.
Rishwat khor bhaagh
saktay hain,
magar buch
nahi saktay.
Rishwat ko haath
na lagayen.
Kahin iss haath main
Hathqadi na lag jayee.

Saanp se dariye- Iss ki parvarish na karen

Yeh na socho ki rishwat le kar aap nay apne jaib main koi khazana dala hai.

Haqeeqat yeh hai ki yeh khazana nahi ek zehreela saanp hai jo kisi bhi waqt aap ko das lega.

Saanp se dariye

Iss ki parvarish na karen

Neend kyon raat bhar nahi aatee.... ?

Kyonki
Corruption main
Tension hai.

Faisla aap ke
haath main hai...

Rishwat ya Sehat ?

Najayaz daulat
Ya
Aaram ki neend ?

Sab kuch luta ke hosh main aaye to kya hua

Kaash rishwat laine se pehle aap ne apna haath peechay khinch liya hota to aaj in haathon say apna muh chupane ki naubat nahi aati. Kapde par daag to mit sakta hai par chehre pe daag kaun mitaye

Gham khaney say
kam khana behtar hai
